

Do Not Despise Small Beginnings

“For who has despised the day of small things?”

— Zechariah 4:10

Many people dream of great accomplishments but become discouraged by small beginnings. Yet throughout Scripture, God often starts with something small before producing something great.

David was a shepherd before he became a king. Moses carried a simple staff before God used it to perform miracles. Jesus fed thousands with a boy's small lunch. God delights in taking what seems insignificant and using it for His glory.

Do not underestimate the value of your current season. The small acts of obedience, the quiet prayers, the daily disciplines, and the faithful service you offer today are building the foundation for tomorrow's blessings.

God is not only interested in the destination; He is also interested in the process. Every step of faith matters. Every seed planted in obedience will eventually produce a harvest.

Remain faithful where you are. Trust God with what you have. The Lord who begins a good work is faithful to complete it.

Prayer

Heavenly Father, help me to remain faithful in the small things. Give me patience to trust Your process and wisdom to recognize Your hand at work in my life. Thank You for preparing me for the future You have planned. In Jesus' name, Amen.

Faith Declaration

I will not despise small beginnings. I will be faithful with what God has entrusted to me. The Lord is working in my life, and His purpose will be fulfilled in His perfect time. Amen.

Great testimonies often begin with small steps of faith and obedience.
