

Don't Give Up—God Is Working

“Let us not grow weary while doing good, for in due season we shall reap if we do not lose heart.” — Galatians 6:9

Sometimes the greatest temptation is not to do wrong, but to give up. We pray and wait. We believe and trust. We serve and remain faithful. Yet when answers seem delayed, discouragement can creep into our hearts.

God's Word reminds us that there is a harvest for those who do not give up. Every prayer you pray, every act of obedience, every seed of faith you sow is known by God. Nothing is wasted in His Kingdom.

A farmer does not plant a seed and expect a harvest the next day. There is a season of waiting before the fruit appears. In the same way, God is often working beneath the surface long before you see the results.

If you are tired, rest in God's presence—but do not quit. If you are discouraged, return to His promises—but do not give up. Your breakthrough may be closer than you realize.

Prayer

Heavenly Father, thank You for Your faithfulness. Strengthen me when I grow weary and encourage me when I feel discouraged. Help me to keep trusting, keep believing, and keep moving forward in faith. In Jesus' name, Amen.

Faith Declaration

I will not give up. I will remain faithful and steadfast in the Lord. God is working in my life, and in His perfect time, I will reap the harvest He has promised. Amen.

**The darkest hour is often just before dawn.
Hold on—God is working, and your season of breakthrough is coming.**
