

God Opens Doors No One Can Shut

“See, I have set before you an open door, and no one can shut it.” — Revelation 3:8

Sometimes we become discouraged when opportunities seem to disappear, plans fail, or doors close before us. Yet God is not limited by closed doors. When He decides to bless, promote, or favour you, no person and no circumstance can stop His purpose.

Joseph's brothers tried to destroy his dream, but God opened a door to the palace. David was overlooked by men, but God opened the door to the throne. Esther was an orphan, yet God opened a door for her to become queen and save a nation.

If a door has closed in your life, do not lose hope. Trust that God knows what He is doing. Some doors close for your protection, while others close because God has something better ahead.

Remain faithful, continue praying, and keep trusting. The Lord is able to create opportunities where none seem to exist. His favour can accomplish in a moment what human effort cannot achieve in years.

Prayer

Heavenly Father, thank You for being the God who opens doors. Help me to trust You when I face disappointments and closed opportunities. Lead me according to Your perfect will and open the doors You have prepared for me. In Jesus' name, Amen.

Faith Declaration

God is opening doors of favour, opportunity, and blessing in my life. What He has planned for me cannot be stopped. I will walk forward in faith, knowing that the Lord is directing my path. Amen.

When God opens a door, walk through it with faith and confidence. His plans are always greater than your fears.
