

The Lord Is Your Provider

“And my God shall supply all your need according to His riches in glory by Christ Jesus.” — Philippians 4:19

There are times when needs seem greater than resources and challenges seem larger than solutions. In such moments, remember that God is not limited by what you see. He is Jehovah Jireh—the Lord who provides.

When Elijah needed food during a famine, God provided through ravens. When the Israelites needed bread in the wilderness, God sent manna from heaven. When a multitude needed food, Jesus multiplied a few loaves and fish. God has always been faithful to provide for His people.

Your needs may be financial, emotional, spiritual, or physical, but God is aware of every one of them. He knows what you need even before you ask. His provision may come in unexpected ways, but His faithfulness never fails.

Do not allow worry to consume your heart. Instead, trust the Lord, remain faithful, and believe that He will make a way. The God who has provided for you in the past will provide for you again.
