

Be Still and Trust God

“Be still, and know that I am God.” — Psalm 46:10

In a world filled with noise, pressure, and uncertainty, God calls us to be still. Being still does not mean doing nothing; it means resting in the confidence that God is in control.

There are times when we try to solve every problem in our own strength. We worry about the future, stress over circumstances, and become anxious about things beyond our control. Yet God invites us to place our trust in Him and allow Him to work on our behalf.

When the disciples were caught in a storm, Jesus spoke peace to the wind and waves. The same Lord who calmed the sea is able to calm every storm in your life. He knows your needs, sees your struggles, and understands your concerns.

Today, release your worries to God. Trust His wisdom, rely on His strength, and rest in His promises. What seems impossible to you is possible with Him.

Prayer

Heavenly Father, I surrender my fears, worries, and burdens to You. Help me to trust You completely and rest in the assurance that You are in control. Fill my heart with peace and strengthen my faith today. In Jesus' name, Amen.

Faith Declaration

I will be still and trust God. My heart is at peace because the Lord is in control. I choose faith over worry and confidence over fear. God is working all things for my good. Amen.

Peace comes when you stop carrying what God has already promised to handle.
