

My Help Comes from the Lord

Today, I declare that my help comes from the Lord, the Maker of heaven and earth.

I declare that I will not rely on my own strength, but on the power and wisdom of God.

I declare that when I face challenges, the Lord will provide the help I need at the right time.

I declare that every mountain before me shall be levelled, and every valley shall be filled by God's grace.

I declare that the Lord is my protector, my provider, and my sustainer.

I declare that I will not be discouraged by difficulties, for God is working on my behalf.

I declare that divine favour will open doors that no human effort could open.

I declare that God's wisdom will guide my decisions and His peace will calm my heart.

I declare that I am surrounded by God's love, protected by His power, and strengthened by His Spirit.

I declare that no situation is beyond God's ability to change and no burden is too heavy for Him to carry.

I declare that today I will walk in confidence, knowing that the Lord is with me wherever I go.
